

The TxGCP connects organizations and individuals across Texas committed to informing and motivating girls to pursue careers in science, technology, engineering and mathematics (STEM).

Regional Fall Forum

November 13, 2008 ↘ 1 – 4 p.m.

The United Way of Greater Houston, 50 Waugh Drive

All organizations and individuals interested in the advancement of girls in science, technology, engineering and mathematics fields are invited.

Learn how you and your organization can get involved in the TxGCP.

Explore possible collaborations and find resources in your region and the state to advance your projects and efforts

Connect with companies, not-for-profits, K-12 educators, community college educators, university educators, informal educators, and others contributing to the advancement of girls in STEM fields from across Texas.

Gain access to \$1,000 mini-grants for your collaborative efforts.

Learn more or register online at <http://TexasGirls.engr.utexas.edu>

Registration is FREE thanks to our generous Houston Fall Forum host, Shell!

The Fall Forum includes open and facilitated networking to connect potential collaborators and resources and a 1 hour workshop on effective assessment of pre-college STEM programs.
